KICE - Agriculture 2019

The course you have chosen offers units of competency from AHC20116 Certificate 11 in Agriculture

In 2019 the school will be offering 3 core units and 5 elective units which we have chosen based upon the opportunities we have to deliver these at school and in the wider community.

This year you will be working towards the completion of the following VET units:

Core Units	
AHCOHS201	Participate in OHS Processes
AHCWRK209	Participate in environmentally sustainable work practices
AHCWRK204	Work effectively in the industry
Elective Units	
AHCLSK204	Carry out regular livestock observations
AHCLSK202	Care for the health and welfare of livestock
AHCLSK211	Provide feed for livestock
AHCPGD201	Plant trees and shrubs
AHCSOL202	Assist with soil or growing media sampling and testing

Each week you need to be work ready:

- Covered shoes preferably work boots
- Suitable clothing (overalls are available)
- Hat
- Drink and lunch
- Laptop
- Ag folder
- Diary

Expectations:

This course is a practical subject. There will be written assessment tasks within each competency to ensure you have the knowledge necessary to work effectively and competently in the agricultural industry.

You will have an opportunity to gain extra knowledge and develop skills in work placements in the wider community.

The behaviour expectations at Parndana are the same as Kingscote.
