## HEAD OF CAMPUS REPORT

Well what an amazingly busy term filled with many special events, special visitors and fantastic extra-curricular activities; it really has gone by in a whirlwind of happenings! Amongst all this flurry of activity the core business of teaching and learning has been excellent and these events have not been a distraction, but have been used to enhance the learning opportunities for our students.

13 April 2017

It has never been lost on me that the Head of Campus position comes with enormous responsibility and it is a position I treat with the utmost respect and care and I sincerely strive to achieve the KICE value of "doing your best." This term has been an enormous learning experience for me and has been something I have thoroughly enjoyed. Building the connections with staff and students plus numerous parents I have met and worked with so far has been a great privilege. Working together is the key to achieving positive outcomes for our students.

I would like to acknowledge and thank the staff of Kingscote Campus for their outstanding professional commitment and their above and beyond efforts for our students. Thank you to the many dedicated volunteers that complement and enhance the work of the staff. The new look Kingscote Campus Leadership team have been of great support to me and they have really stepped up to the plate and led the way with great care and compassion for the students, staff and community in general.

I'm looking forward to term 2 and meeting some more of you, but between now and then please take care and hopefully have a chance to spend some more quality time with your children.

Lastly, please remember I am always open for a meeting and discussion if you have any questions or concerns.

## HARMONY DAY

To celebrate Harmony Day on the 21<sup>st</sup> of March, the year 6-12 Student Voice Team organised a lunch time celebration for students across the campus. Students were invited to play multicultural games, have a go at the international flag quiz and add messages to our inclusivity chain. The team would like to especially thank Kingscote Drakes for donating oranges which were shared during the celebration.

## SA MUSEUM VISIT

Last week Kingscote Campus welcomed some special visitors from the South Australian Museum. Students from across the school were invited to take part in a variety of interactive workshops including making their own artefact models, decoding Egyptian hieroglyphics and developing their own cyanotypes. The museum also brought along a dig pit for students to explore throughout the day.
