<b>EMERGENCY MANAGEMENT PLAN (abridge)</b> .....	<b>50</b>

# Introduction

In accordance with the principles of the [Work Health and Safety Regulations 2012](#) under the *Work Health and Safety Act 2012* and Australian Standard, Planning for Emergencies in Facilities AS3745-2010, **each Department for Education and Child Development (DECD) site must have a site Emergency Management Plan in place.**

The purpose of this template document is to ensure a minimum standard of considerations in responding to an emergency or other major incident at a DECD site and should ideally be completed by a member of your Emergency Management Team, Incident Response Group or a suitably qualified or experienced individual.

**Once complete, your site Emergency Management Plan is to be submitted** to the Security and Emergency Management unit at [DECD.SecurityIncident@sa.gov.au](mailto:DECD.SecurityIncident@sa.gov.au) within DECD Central Office, Adelaide for audit and compliance as per the listed requirements within the [Site Reporting Companion](#) and mandated by the *Emergency Management Framework*.

Please note that scope of the internal audit is:

- 1) to confirm the existence of an approved *Emergency Management Plan* at each site
- 2) to confirm that all areas of the template have been completed
- 3) to confirm that *distinctly different notification tones or systems* exist for the various emergency response options to ensure evacuation alerts and shelter in place alerts are not misinterpreted

The Security and Emergency Management unit cannot accurately assess the quality or viability of the specific processes you document for your Incident Response Group, since they must be tailored specifically to your infrastructure, occupancy and staffing.

You are required to undertake a minimum of two (2) emergency simulations per term, which should be used to openly and honestly assess the likely success or failure of your processes. Where necessary, changes should be made to ensure any deficiencies are adequately addressed.

The Security and Emergency Management unit can provide advice to assist you in the development or amendment of your emergency plan.

As the site Emergency Management Plan must be checked for currency at least once per year, the Security and Emergency Management unit will ensure the online availability of any updated versions of this template by 31<sup>st</sup> May of each year. Note – you will only be required to complete *new* sections of the template, not the whole document.

**Please note that all updated and completed plans are to be submitted prior to 31<sup>st</sup> July each year.**

**The completion and submission of this template supersedes any pre-existing site emergency templates and any prior displays of emergency contact information must be consistent with the information contained within this document.**

## Non-Site Emergency Contacts

<b>Emergency (Police, Fire, Ambulance)</b>	<b>000</b>
<b>Police</b>	<b>131 444</b>

## Site Emergency Contacts

In the table below, list personnel situated at the site, who may be contacted in the event of an emergency situation impacting upon your site. Considerations should be given to the inclusion of details for persons/groups likely to be using the site outside of normal business hours, e.g. OSCH, sporting activities, clubs etc.

Site Role/Position	Name	Contact Number	Out of Hours Contact Number
Site Leader	Leanne Woods	0885531067	0428440292
Deputy/Principal teacher	Louise Snowball	0400 683 988	
Fire warden/WHS rep	Maria Sexton	0409 903 505	
Front Office SSO	Andrea Buick Della Childs	0885531067	0413 678 522 0499 990 930

Penneshaw Kindergarten	Kristie Werner	08 8553 1555	0448 108 894

Site Role/Position	Name	Contact Number	Out of Hours Contact Number

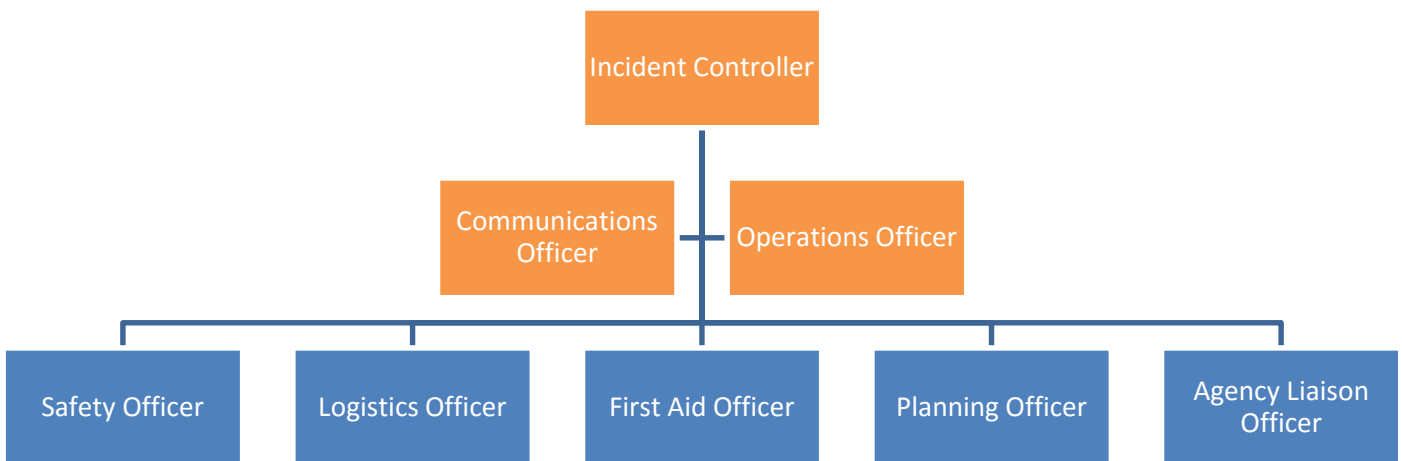

# Incident Response Group

## Structure

Figure 1 below has been provided as an *example* of an Incident Response Group (IRG) and includes **mandatory roles** of an **Incident Controller**, a **Communications Officer** and an **Operations Officer**. In the case of smaller sites, the Communications Officer and Operations Officer may be the same person or, where necessary, all three roles may be performed by the same person.

**HELP!** What is the purpose of the Incident Response Group and how does this differ from an Emergency Management Team?

**HELP!** What are the roles, responsibilities and skill requirements of an Incident Response Group?

**Figure 1** Example of an Incident Response Group structure, including mandatory (yellow) and optional (blue) roles

### Incident Response Group, Roles and Responsibilities Summary Table<sup>1</sup>

Roles	Responsibilities	
	During an emergency	Post emergency
Incident Controller (IC)	IC provides leadership, directs and coordinate resources to ensure the safety of occupants at the site	IC collates relevant information from various members of IRG and liaises with EMT to organise a debrief session. IC provided inputs to facilitate reviews of the actions taken and recommendations to amend plans.
Operations Officer (OO)	OO oversees the implementation of the relevant action plans and is responsible for managing, supervising and monitoring on-going operations.	OO liaises with EMT to assess damaged properties and to restore facilities/services.

Roles	Responsibilities
-------	------------------

<sup>1</sup> Detailed responsibilities and recommended skillsets, experience, disposition or qualifications (where relevant) are provided in the help sheet.

	During an emergency	Post emergency
Communications Officer (CO)	CO manages and monitors all communications with internal and external agencies e.g. DECD Central Office, Emergency Services or Parents.	CO liaises with EMT to issue communiques for the staff, students, parents and the community, and attends to queries related to incident.
Safety Officer (SO)	SO works closely with the other members to ensure work health and safety of occupants at the site during the incident	SO liaises with EMT to review the safety of the site and its facilities, and make recommendations to mitigate resultant risks.
Logistics Officer (LO)	LO manages the logistical needs, including equipment, services and manpower, to facilitate the operations	LO liaises with EMT to review the status of the emergency equipment and services, and make recommendations to reinstate them.
First Aid Officer (FAO)	FAO administers first-aid to occupants and documents occurrence of illnesses and injuries requiring treatment	FAO liaises with EMT to review the status of the first-aid equipment and make recommendations to reinstate them.
Planning Officer (PO)	PO collects and evaluates information related to the incident and resources, and formulates strategies to mitigate identified risks for implementation by IC	PO liaises with IC and OO to review the incident and risks identified during the emergency and make recommendations to enhance the plan.
Agency Liaison Officer (ALO)	ALO assists CO with liaison with internal and external agencies	ALO assist CO in the liaison with EMT in the issuance of communiques and to attend to queries related to the incident.

Mandatory role within an Incident Response Group

Optional but recommended role within an Incident Response Group

(NB: Titles may differ but the responsibilities will be as described within above summary table).

## Incident Response Group Contacts

Fill in the names and contacts of the main and alternate persons nominated for the respective roles in your Incident Response Group.

## Site Profile

### Site Information

<b>Site Name</b>	KICE -Penneshaw		
<b>Address</b>	Howard Drive Penneshaw SA 5222		
<b>Telephone</b>	08 8553 1067		
<b>Fax</b>	08 8553 1199	<b>Email</b>	leanne.woods@kice.sa.edu.au
<b>Time Site Opens</b>	8am		
<b>Time Site Closes</b>	4.30pm		

### Student/Staff Information

<b>Number of Current Enrolments</b>	64
<b>Number of Staff</b>	23
<b>Proportion of Staff Disability/Health Factors (%)</b>	0
<b>Proportion of Student Disability/Special Education Needs (%)</b>	5%

### Building Information

<b>Do you have a Monitored Security Alarm?</b>	No	<b>Make/Model</b>	Not Applicable
<b>If "Other" make/model, provide details</b>			
<b>List buildings NOT covered by security alarm</b>	1.		
	2.	3.	
	4.	5.	
<b>Do you have a separate Fire Alarm System? (If "yes", provide details of make/model)</b>	No	<b>Make/Model</b>	
<b>List buildings NOT covered by fire alarm</b>	1.		
	2.	3.	
	4.	5.	
<b>Is there an emergency telephone?</b>	Yes	<b>Type</b>	Mobile phone
<b>If "Others", provide details</b>	04107 431 692		
<b>Select method used for alert tone warnings?</b>	Class bell system		
<b>If "Others", provide details</b>			
<b>List on-site hazards (e.g. gas/pool chemicals)</b>	<b>Location (e.g. science lab, chemical storage)</b>		
1. Chemicals	Science Lab		
2. Chemicals	Garden Shed		
3. Gas bottles	Home Ec Room - outside		
4. Gas bottles	Student Toilet		
5. Gas Bottle for BBQ	Grounds Shed		

Emergency Power System		
<p>Please provide information below relating to the backup power supply available for use on your site in the event of an emergency (e.g. generator). Include information such as where to access the supply, what system is connected to the supply and basic operational information.</p> <p>If not applicable, please type N/A. DO NOT LEAVE BLANK SPACES.</p>		
Location	N/A	
Systems connected	1. N/A	2. N/A
	3. N/A	4. N/A
Shutoff Instruction	N/A	

Utilities		
<p>Please provide basic information below regarding the main utility supplies connected to your site. Include information such as how to locate, operate or switch off these utilities in the event of an emergency.</p> <p>If not applicable, please type N/A. DO NOT LEAVE BLANK SPACES.</p>		
Utilities	Location of Shutoff Valve/Switch	Special Instructions
Gas (Mains/Bottled)	Bottles Toilet and Home Ec Room  Bottle for BBQ in grounds shed	bottles are grated on outside of buildings, key at front office  BBQ in groundshed, key at Front office.
Water	2 switches - Howard Drive staff car park -Willoughby Road Bus exit	
Electricity	Main power unit on deck of building 2	
Sprinkler System	N/A	
Heating System	Electric air conditioners in each room except Rec centre	

# Site Plans and Area Maps

## Site Map

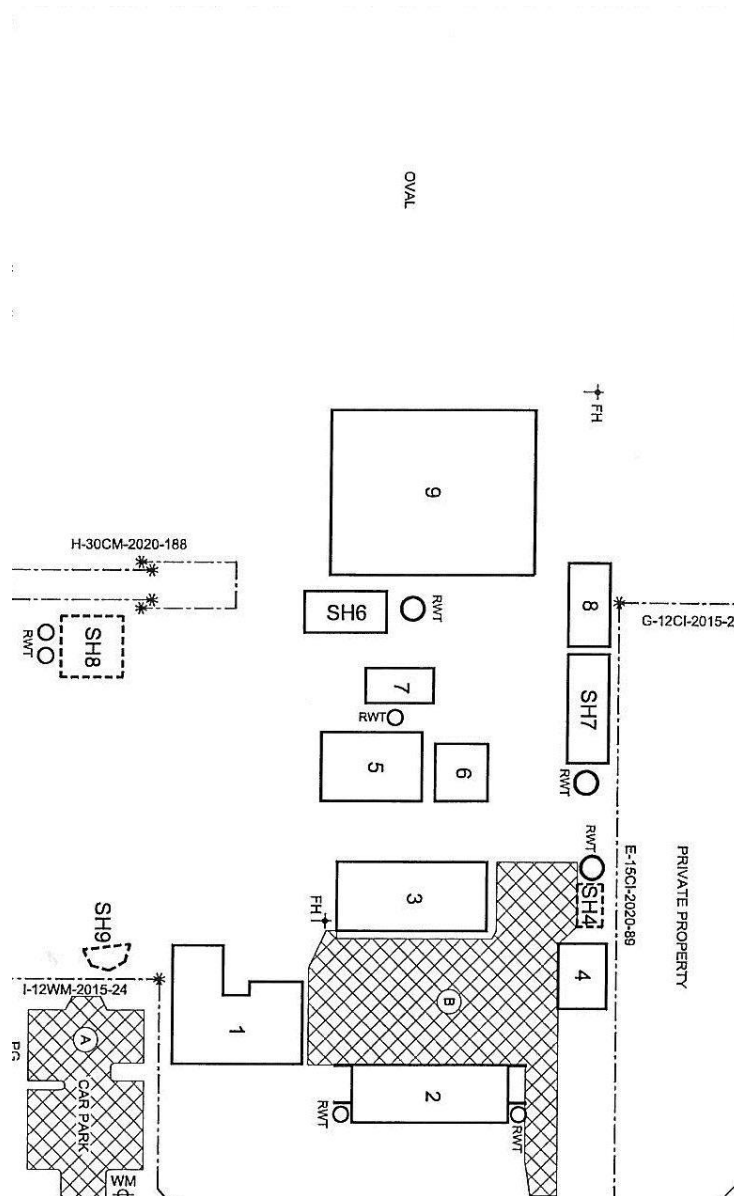

It is a requirement that you attach a copy of your site plan and area map within this document

Please indicate that you have attached a copy of your site plan<sup>2</sup>

Yes  No

(click below to insert an image file e.g. .jpeg, .gif, .png of your site plan within the page)

**HELP!** Are there any guidelines as to what an ideal site plan should look like?

<sup>2</sup> Please note that all site maps submitted will be accepted in its current format for the purposes of avoiding any delay in submitting a reference map for your site i.e. you will not currently be required to conform to AS3745-2010 at this stage.

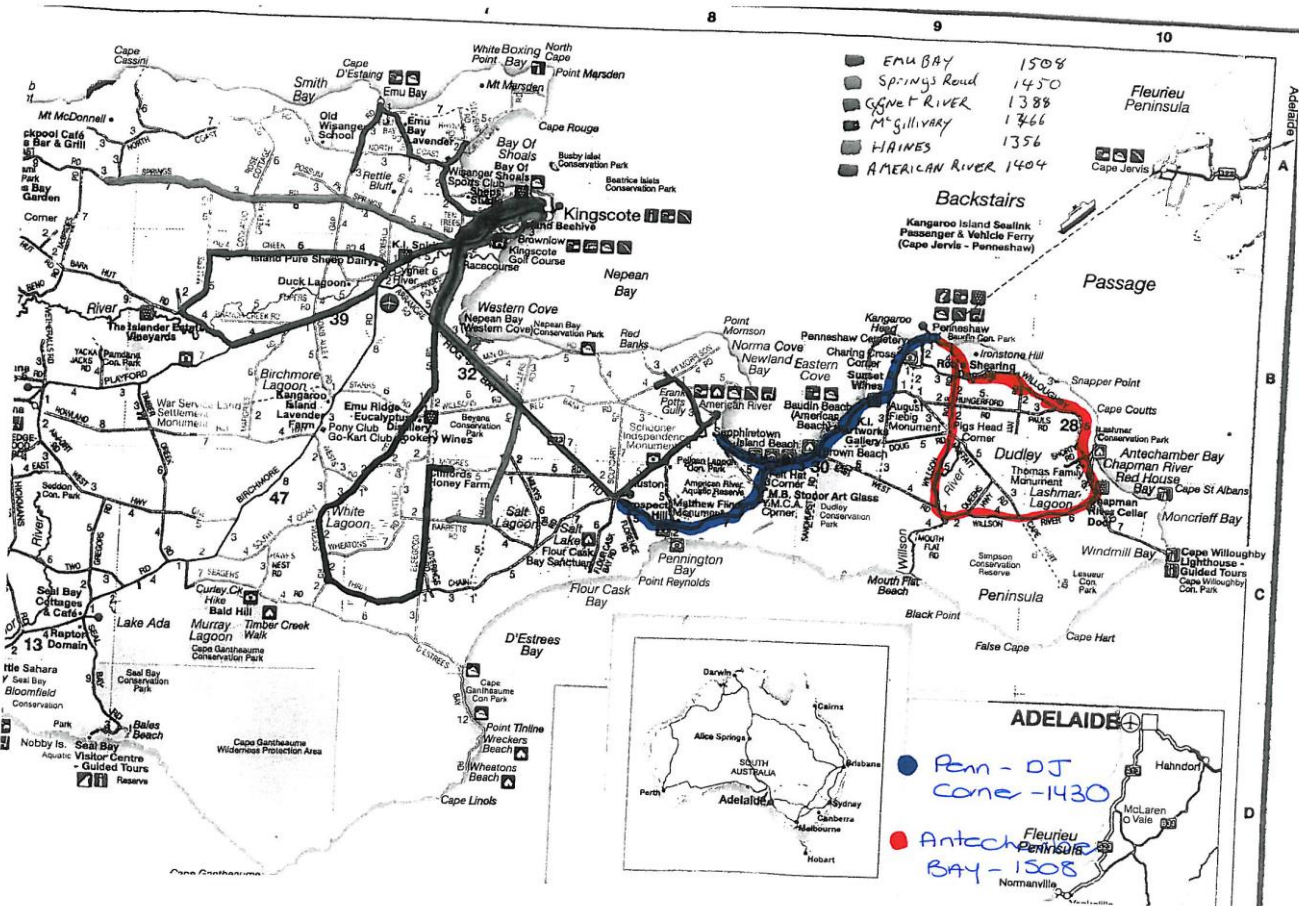

## Area Map

Please indicate that you have attached a copy of your area map

Yes  No

(click below to insert an image file e.g. .jpeg, .gif, .png of your area map within the page)

**HELP!** Are there any guidelines as to what an ideal area map should look like?

## Emergency Assembly Areas and Alarm Tone Procedures

**IMPORTANT!** The alarms raised for each emergency response should be easily distinguishable from each other. For example, an alarm tone and/or duration to direct persons to a Precautionary Building Confinement **MUST** differ from an alarm tone for an Evacuation response, in order to avoid any confusion.

### Shelter-In-Place

**HELP!** *What is meant by Shelter in Place?*

Shelter in Place Location (specify SAMIS Building number, room number or facility type)	
Resource Centre	
Alarm Tone/Alert Method Used	Duration/Pattern of Alarm Tone (where applicable)
Siren	Choose an item
If "Other", please provide further details	
repeated long bursts	

### Precautionary Building Confinement (PBC)/Lockdown

**HELP!** *What is meant by Precautionary Building Confinement (PBC)/Lockdown?*

PBC/Lockdown Location (specify SAMIS Building number, room number or facility type)	
Closest classroom	
Alarm Tone / Alert Method Used	Duration/Pattern of Alarm Tone (where applicable)
Siren	Other
If "Other", please provide further details	
Repeated short burst of Siren	

## Evacuation

**HELP!** *What is meant by an Evacuation?*

On-site / Adjacent Muster Point Location(s) (e.g. oval/car park/courtyard)	
On Site Location A	Initial Emergency Evacuation area
On Site Location B (optional)	
If there are two locations A & B, please state the protocol used to direct the occupants to either A or B during an emergency.	
Alarm Tone/Method Used	Duration/Pattern of Alarm Tone
Siren	Long continuous
If "Other", please provide further details	

## Off-site Back-up Location

**HELP!** *Why do I need an Off-site Back-up Location?*

Off-site Back-up Location(s)	
Off Site Location A	N/A
Off Site Location B (optional)	N/A
If there are two locations A & B, please state the protocol used to direct the occupants to either A or B during an emergency.	
N/A	
Alarm Tone/Method Used	Duration/Pattern of Alarm Tone
Choose an item	Choose an item
If "Other", please provide further details	
N/A	

## Hazard Identification and Risk Assessment

Hazard identification, risk assessment and control procedures are necessary to prepare you to respond effectively to any emergency situations on or around your site, in order to ensure the safety of the site and its occupants.

Using the table below, click on the check-boxes for the assessed risk associated to each of the potential hazard/emergency situation that we have pre-identified. For example, if your site is situated in a high risk bushfire location, click on the check-box in the red 'High Risk' column for 'Bushfire'; however, should your site be located within the CBD and be considered at an insignificant risk of a bushfire emergency, then click on the check-box in the corresponding white 'Insignificant Risk' column. **Additional spaces have been made available to include any other additional site specific hazards relevant to your site. Where a potential high risk hazard/emergency situation is identified, the procedures developed to address such an event must be completed in the next section.**

**HELP!** [Why do I need to identify specific risks?](#)

**HELP!** [Where do I gain more information about assistance with a site risk assessment?](#)

**HELP!** [Are there any helpful policies or templates?](#)

Hazard/Potential Emergency Situation	Insignificant Risk	Low Risk	Medium Risk	High Risk*
Armed or violent intruders	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bushfires	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bomb Threats	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Other hazards	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

# High Risk Emergency Procedures

## In the Event of an Emergency

Following your site's risk assessment and hazard identification, emergency procedures *must be* in place for each role within the Incident Response Group. For examples of procedural checklists for the mandatory roles, please refer to Appendices A, B & C. Please note these checklists can be used and adapted as per the requirements of your site(s). **For ALL identified 'high risk' hazards or emergency situations, please state the specific procedures you have in place for each of these events (EXCEPT for 'Bushfire' whereby the Bushfire Response Plan in the next section should be completed).**

### Example

Hazard	Emergency response
Flood	Off-site evacuation
Additional procedures	
List additional procedures to complement those developed for your 'Off-site evacuation' procedures as stated in the earlier section 'Emergency Assembly Areas and Alarm Tone Procedures'	

Hazard	Emergency response
N/A	Choose an item.
Additional procedures	

Hazard	Emergency response
N/A	Choose an item.

Hazard	Emergency response
N/A	Choose an item.
Additional procedures	

Hazard	Emergency response
N/A	Choose an item.
Additional procedures	

Hazard	Emergency response
N/A	Choose an item.
Additional procedures	

## Emergency Supplies Plan

In your response to an actual or imminent emergency, the occupants of your site may have to remain on the school grounds for a prolonged period, until the threat has been adequately addressed by the emergency services and then given the clearance to leave the site. Hence, it is important to maintain sufficient stock of emergency supplies for the expected number of occupants of the site during an emergency.

### Drinking Water Supply Plan

Drinking water must be readily available at the site and it must not be reliant on the mains (water or power) for its provision. Otherwise, sufficient drinking water supply (e.g. bottled water) must be maintained at the site at all times. The stock should be checked periodically to ensure that it has not expired. Ideally, there should be about 4 litres of water allocated to each person. However, due to the limitations on the amount of water that you can store on site, **we would recommend at least 1 litre of water be allocated for each person** for the purpose of your site's emergency supplies plan.

Rainwater tanks used for drinking purposes must incorporate disinfection via an ultraviolet light irradiation system. For further information regarding drinking water, see the DECD intranet at:

<https://myintranet.learnlink.sa.edu.au/operations-and-management/facilities-and-security/energy,-water-and-waste-management/water>

#### State your site's drinking water supply plan and availability during an emergency situation

Water stored om Emergency pack in Shelter in Place building

### Food Supply Plan

Your site may store at least a one-day **supply of non-perishable food** (e.g. biscuits, canned food, cereals) that do not require refrigeration, cooking, water or special preparation. Be sure to include a can opener and eating utensils (e.g. paper cups/plates, plastic spoon/fork) in your stock. The stock should be checked periodically to ensure that it has not expired.

#### State your site's food supply plan and availability during an emergency situation

Food not stored on site

## Essential Items Supply Plan

During an emergency, the power and water supply from the mains, as well as internet and mobile/landline connectivity may be affected. Your site may maintain the stock of these basic items to facilitate emergency operations, alleviate the trauma experienced by the occupants and to aid the recovery process after the event. You may add further items to the list by using the spaces provided.

**Some of the items that you may want to include are:**

- Battery-powered, wind-up or solar powered radio
- Waterproof torch
- Spare batteries for all devices (especially mobile)
- First aid kit with guide book
- Toiletries (soap, handwash, alcohol wipes, toilet paper, tissues)
- Blankets
- Candles with matches
- Glow sticks
- Whistle (to signal for help)
- Dust masks, plastic sheeting and duct tape (for Shelter-In-Place)
- Children activities (board games, colouring books, toys)
- Safety vests (for identification of key personnel)
- Garbage bags and ties
- Megaphone

*Add other items using space provided*

- Student Rolls
- Staff/Visitor Registers
- Student contact Information
- important Telephone Number
- Staff/Student Medications
- Mobile Phone
- Drinking Cups and water

- 
- 
- 
- 
- 
-

- 

# Student Collection Protocol

## Students Attendance Record

All schools must have a system to record student attendance and be able to account for the presence or absence of all students during an emergency. In addition, processes must exist to ensure students are only released to authorised individuals.

**HELP!** *What are the key features of a system to record students' attendance and nominated persons (or otherwise approved persons) for collection?*

**Provide details of your site's current system to account for students following an emergency response and any methods for corroborating student collection authorities**

Front office SSO to print attendance details from Daymap, collect visitors sign in and staff sign out sheets.

## Student Collection During Emergency

Emergencies may occur at any time and often without warning. In such circumstances, it may not be possible for students to be collected by their usual family member or authorised person, or indeed be permitted to make their way home in the usual manner. Sites must ensure that adequate processes are implemented to facilitate urgent changes to usual collection or release arrangements (e.g. SMS authorities permitted with agreed codeword, proactive communication to parents on Total Fire Ban days or during storm events, urgent OSHC arrangements).

**HELP!** *What are the guidelines in developing an effective student collection protocol during an emergency?*

**Detail any specific arrangements to accommodate urgent changes to collection / release authorities during an emergency**

Class teachers would mark off from Day map print out.

# Bushfire Response Plan - Kangaroo Island Community Education Penneshaw Campus

It is a DECD requirement that all R1 and R2 bushfire risk rated sites and sites which have identified 'Bushfire' as a potential high risk hazard/emergency (refer to Section 'Hazard Identification & Risk Assessment'), to complete the Bushfire Response Plan.

**Completion of this template within your site's Emergency Management Plan supersedes any previous Bushfire Response Plan updating process or documentation.**

## Bushfire Refuge

The term 'Bushfire Refuge' has been adopted by DECD to reduce confusion with the terminology used by the CFS and is generally a building on-site that can provide short term shelter from a bushfire to the site population only.

The term 'Last Resort Refuge' is identified in each Council for community members as a space or building which could be used as a place of last resort for individuals to go to and remain during the passage of fire through their neighbourhood. A Last Resort Refuge is intended to provide a place of relative safety during a bushfire but does not guarantee the survival of those who assemble there and should only be used when personal Bushfire Survival Plans cannot be implemented or have failed.

**Note: No DECD sites have been identified by the CFS as a Last Resort Refuge.**

Important: It is the responsibility of the site's EMT to determine trigger points and act upon them as per the site's Bushfire Response Plan. It is also useful to include several means to enable the trigger points in case one or some of these failed to function during an emergency. Examples include the following:

- A CFS Watch and Act message advising of a fire within 20km radius of the township
- Receipt of a SAFECOM SMS/phone call emergency alert advising of an imminent bushfire threat

### State your site's Trigger Points to prepare for movement to a Bushfire Refuge.

A fire takes hold in the immediate area  
 The siren for a fire/bomb threat is sounded.  
 It is deemed necessary by the Emergency Response Team/ HOC  
 Offsite fire or emergency

### State the alarm tone/method used to prepare for movement to the Bushfire Refuge?

**Note: The alarm tone MUST be clearly distinguishable from the other emergency alarm tones as noted in the earlier section 'Emergency Assembly Areas and Alarm Tone Procedures'.**

Alarm Tone/Method Used	Duration/Pattern of Alarm Tone
Siren	Long continuous

**If "Other" alarm tone or duration, please provide further details**

**State the location of the Bushfire Refuge.**

- If it is an on-site Bushfire Refuge, please state the SAMIS Building Number and any specific facility used for the refuge (e.g. Building 1 - Library).
- If it is an off-site Bushfire Refuge, please provide a detailed description and an address of the location (e.g. ABC Caravan Park located at 123 Beach Road SA 5XXX).

Resource Building

**List other educational sites or services which utilise your Bushfire Refuge and their key contact details**

<b>Other Site/Service</b>	<b>Contact Role/Name/Mobile</b>	<b>Site/Service Land Line</b>
Penneshaw Kindergarten	Name: Kristie Werner Role: director Mobile: 0448 108 894	0885531555
Penneshaw Childrens Sevice	Name: Sherilee Binstead Role: team leader Mobile: 0418 225 657	0885531555
	Name: Role: Mobile:	
	Name: Role: Mobile:	
	Name: Role: Mobile:	

**State the location of your off-site evacuation point should your site need to evacuate the Bushfire Refuge**

N/A

**State the planned method of transport to relocate all persons away from the Bushfire Refuge and to the off-site evacuation point**

N/A

### Drinking Water Contingency Plan

Drinking water must be readily available at the Bushfire Refuge location and it must not be reliant on the mains (water or power) for its provision. Otherwise, sufficient drinking water supply must be stocked at the location during Total Fire Ban days. Ideally, there should be about 4 litres of water allocated to each person. However, we appreciate the limitations to the amount of water that you can store on site; hence, **we would recommend at least 1 litre of water be allocated for each person** for the purpose of your site's Bushfire Response Plan.

Rainwater tanks used for drinking purposes must incorporate disinfection via an ultraviolet light irradiation system. For further information regarding drinking water, see the DECD intranet at:

<https://myintranet.learnlink.sa.edu.au/operations-and-management/facilities-and-security/energy,-water-and-waste-management/water>

### State your site's drinking water supply plan and availability during a bushfire emergency situation

Water stored in Emergency Pack in Refuge Building

### Water for Ablutions/Sanitary Purposes

During an emergency, water and/or power supply from mains may be affected and a site may not have ablation water available; therefore, alternatives should be considered. Sites may consider portable options (i.e. camping toilets or 'kitty litter') for use within the Bushfire Refuge during a bushfire emergency situation.

### State your site's ablation options during a bushfire emergency situation

Local water is not determined by power supply

## Administrative Support Plan

### Scheduled Emergency Drills

Sites must schedule emergency drills (theory or practical) relative to their specific risks. It is expected for schools and preschools to practice emergency procedures on at least two (2) occasions per term. It is important for the sites to validate ALL forms of emergency responses (i.e. Shelter-In-Place, PBC/Lockdown, On-Site Evacuation, Off-Site Evacuation and Bushfire Refuge) on at least one (1) occasion over the calendar year. For R1/R2 bushfire rated sites, they are required to schedule additional (1) Shelter-In-Place and (1) Evacuation prior to the commencement of the Fire Danger Season.

**Please record schedules to be counted for the mandatory number of simulations to be performed by each site for each calendar year (i.e. 8 for non-bushfire rated sites schools and 10 for bushfire rated sites).**

Emergency Response Type	Simulated Scenario (e.g. flood, fire, bomb threat)	Theory or Practical	Date Scheduled
Evacuation (On Site)	Bush Fire	Practical	Term 1
Evacuation (Off Site)	onsite Fire	Practical	Term 1
Precautionary Building Confinement/Lockdown	Bomb threat	Practical	Term 2
Evacuation (On Site)	On site Fire	Practical	Term 2
Precautionary Building Confinement/Lockdown	Chemical spill	Practical	Term3
Evacuation (Off Site)	Onsite Fire	Practical	Term 3
Evacuation (On Site)	Bushfire	Practical	Term4
Evacuation (Off Site)	onsite fre	Practical	Term 4
Choose a response type		Choose type	
Choose a response type		Choose type	

## First Aid Training

List all staff trained in first aid and responding in the event of an emergency situation.

Name	Mobile Number	Location (e.g. room no., floor level)
Maria Sexton	0409 9+03 50	Sci lab
Leanne Woods	0428 440 292	Front office
Liza Harrington	0427 405 806	R/1
Jess Curtis	0422 420 153	2/3/4
Desiree Jurgs	0428 820 689	art room
Andrea Buick	0431 678 522	Front Office
Della Childs	0408 527 970	Front Office
Helen Stevens	0408 196 765	Library
Deb Butler	0428 848 985	Classroom
Katherine Smith	0403 452 220	Middle Room

## Emergency Management Skill Register

List all staff who are trained or have experience in Emergency Management. For example, staff who may have qualifications in Emergency Planning or similar courses, or have experience from their volunteer or past work appointments (as an emergency service personnel).

Name	Training/Experience (e.g. warden)	Mobile Number	Location (e.g. room no., floor level)
Leanne Woods	Fire Warden Training	0428 440 292	Front office
Maria Sexton	Fire Warden Training	0409 903 505	Sci lab/ middle school
Deb Butler	Fire Warden Training	0428 848 985	school

## Emergency Management Skill Training Plan

List proposed training or courses for staff who are allocated roles in the Incident Response Group (IRG) as main or alternative appointments.

Name	Incident Response Group Appointment	Reason for proposed training/course	Proposed training/courses
	Choose an item.		
	Choose an item.

# Appendix A1 – Incident Controller (Emergency Procedure)

## Emergency Procedure Checklist: Incident Controller

The intention of this checklist is to provide a helpful guide as to the minimum requirements for actions taken in response or in anticipation of an emergency event by the mandatory role of an Incident Controller within an Incident Response Group (IRG). Your site may have additional steps to be followed and these should be listed within the spaces available.

Actions	Yes	No
1. Ascertain the nature of the emergency and determine the appropriate action/alarm to be raised to initiate procedures to be followed (if not already activated)	<input type="checkbox"/>	<input type="checkbox"/>
2. Establish a Control Centre (for operations and communications) at suitable location, convene the Incident Response Group (IRG), define objectives, assign initial tasks to IRG members (including timelines for action and reporting) and determine next scheduled briefing time	<input type="checkbox"/>	<input type="checkbox"/>
3. Brief emergency services personnel upon arrival on type, scope and location of the emergency, the status of the evacuation and thereafter act on senior officer's instructions	<input type="checkbox"/>	<input type="checkbox"/>
4. At the next scheduled briefing, IRG members provides updates on progress of tasks, and new or additional tasks to be assigned as appropriate	<input type="checkbox"/>	<input type="checkbox"/>
5. Set timelines and further reporting/review of incident status.	<input type="checkbox"/>	<input type="checkbox"/>
6. If the incident is still 'active', repeat step 4 and 5 above.	<input type="checkbox"/>	<input type="checkbox"/>
7. If the incident is no longer 'active', organize debrief of incident and final report by IRG members.	<input type="checkbox"/>	<input type="checkbox"/>
8. Authorise the safe return of occupants when satisfied to do so and after consultation with emergency services.	<input type="checkbox"/>	<input type="checkbox"/>
9. Stand down IRG	<input type="checkbox"/>	<input type="checkbox"/>
<i>All other responsibilities as listed below:</i>		
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

## Appendix A2 – Incident Controller (Post Emergency Procedure)

### Emergency Post Procedure Checklist: Incident Controller

The intention of this checklist is to provide a helpful guide as to the minimum requirements for post procedure actions to be completed by the mandatory role of an Incident Controller within an Incident Response Group. Your site may have additional steps to be followed or may delegate some of the post procedure actions to another member of the Incident Response Group. Please list additional actions within the spaces available.

Actions	Yes	No
1. Provide relevant information to facilitate entry into IRMS (Incident and Response Management System)	<input type="checkbox"/>	<input type="checkbox"/>
2. Collates information from various IRG members in preparation for a debrief of the action taken during the emergency by the group	<input type="checkbox"/>	<input type="checkbox"/>
3. Attend the de-briefing session with IRG and Emergency Management Team (EMT) members to discuss and review the situation, plans, actions taken (or should be taken) : <ul style="list-style-type: none"> <li>a. Circumstances of the incident;</li> <li>b. Identify the underlying cause of the incident;</li> <li>c. Establish whether the initial management and emergency response was implemented according to plan;</li> <li>d. Review the log of activities recorded and actions taken;</li> <li>e. Review effectiveness and adequacy of actions taken;</li> <li>f. Review the risk associated with the incident;</li> <li>g. Review the plans/actions to mitigate the risk to acceptable level;</li> <li>h. Identify staff or students who may be at risk, for support to aid recovery.</li> </ul>	<input type="checkbox"/>	<input type="checkbox"/>
<i>All other responsibilities as listed below:</i>		
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

## Appendix B1 – Operations Officer (Emergency Procedure)

### Emergency Procedure Checklist: Operations Officer

The intention of this checklist is to provide a helpful guide as to the minimum requirements for actions taken in response or in anticipation of an emergency event by the mandatory role of an Operations Officer within an Incident Response Group. Your site may have additional steps to be followed or the Incident Controller may have delegated additional duties during an emergency for this role. These should be listed within the spaces available.

Actions	Yes	No
1. Establish an Operations Area within the Control Centre at site to manage, supervise and monitor the operations.	<input type="checkbox"/>	<input type="checkbox"/>
2. Have a working mobile telephone and the emergency telephone contact lists	<input type="checkbox"/>	<input type="checkbox"/>
3. Have site map(s)/area map detailing safest possible exits from the building(s) or away from site	<input type="checkbox"/>	<input type="checkbox"/>
4. Have a first aid kit and other necessary emergency supplies	<input type="checkbox"/>	<input type="checkbox"/>
5. Have a list of 'Persons Requiring Additional Assistance Register' for evacuation purposes	<input type="checkbox"/>	<input type="checkbox"/>
6. Have a list of staff who are First Aid and/or Emergency Management trained	<input type="checkbox"/>	<input type="checkbox"/>
7. Ensure roll calls completed, occupants been accounted for and all areas evacuated	<input type="checkbox"/>	<input type="checkbox"/>
8. Ensure utilities (power, water, gas etc.) are shut-off (where necessary or possible)	<input type="checkbox"/>	<input type="checkbox"/>
9. Ensure availability of emergency power supply (if possible or necessary)	<input type="checkbox"/>	<input type="checkbox"/>
10. Ensure availability of emergency supplies (drinking water, food and essential items)	<input type="checkbox"/>	<input type="checkbox"/>
11. Ensure availability of emergency sanitary setup (e.g. kitty litter or camping toilet)	<input type="checkbox"/>	<input type="checkbox"/>
12. Prepare setup to facilitate student collection protocol	<input type="checkbox"/>	<input type="checkbox"/>
13. Maintain a log of events, notes and instructions	<input type="checkbox"/>	<input type="checkbox"/>
14. Manage, supervise and monitor operations	<input type="checkbox"/>	<input type="checkbox"/>
15. Report on situation, control progress and emerging risks	<input type="checkbox"/>	<input type="checkbox"/>
16. Ensure safety and report on incidents/accidents	<input type="checkbox"/>	<input type="checkbox"/>
<i>All other responsibilities as listed below:</i>		
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

## Appendix B2 – Operations Officer (Post Emergency Procedure)

### Emergency Post Procedure Checklist: Operations Officer

The intention of this checklist is to provide a helpful guide as to the minimum requirements for post procedure actions to be completed by the mandatory role of an Operations Officer within an Incident Response Group. Your site may have additional steps to be followed or the Incident Controller may have delegated additional post procedure duties for this role. Please list additional actions within the spaces available.

Actions	Yes	No
1. Review the effectiveness of the emergency management plan and prepare to provide inputs to improve its implementation for future events	<input type="checkbox"/>	<input type="checkbox"/>
2. Attend de-briefing session with IRG and EMT members to provide inputs on the management, supervision and monitoring of operations during the emergency situation	<input type="checkbox"/>	<input type="checkbox"/>
3. Liaise with EMT to assess damaged properties and to restore facilities/services	<input type="checkbox"/>	<input type="checkbox"/>
4. Coordinate with SO (if any) for liaison with EMT to review the safety of the site and its facilities, and make recommendations to mitigate resultant risk	<input type="checkbox"/>	<input type="checkbox"/>
5. Coordinate with LO (if any) for liaison with EMT to review the status of the emergency equipment and services, and make recommendations to reinstate them	<input type="checkbox"/>	<input type="checkbox"/>
6. Coordinate with FAO (if any) for liaison with EMT to review the status of the first-aid equipment and make recommendations to reinstate them	<input type="checkbox"/>	<input type="checkbox"/>
<i>All other responsibilities as listed below:</i>		
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

## Appendix C1 – Communications Officer (Emergency Procedure)

### Emergency Action Plan Procedure Checklist: Communications Officer

The intention of this checklist is to provide a helpful guide as to the minimum requirements for actions taken in response or in anticipation of an emergency event by the mandatory role of a Communications Officer within an Incident Response Group. Your site may have additional steps to be followed or the Incident Controller may have delegated additional duties during an emergency for this role. These should be listed within the spaces available.

Actions	Yes	No
1. Establish a Communications Area within the Control Centre at site to manage and monitor all communications with internal and external agencies	<input type="checkbox"/>	<input type="checkbox"/>
2. Have a working mobile telephone and the emergency telephone contact lists	<input type="checkbox"/>	<input type="checkbox"/>
3. Notify the emergency services using their emergency numbers	<input type="checkbox"/>	<input type="checkbox"/>
4. Notify the DECD (Security, Bushfire and Emergency Management)	<input type="checkbox"/>	<input type="checkbox"/>
5. Notify relevant parties (e.g. other sites, head office, third parties, parents)	<input type="checkbox"/>	<input type="checkbox"/>
6. Provide information to emergency services who arrived at the school	<input type="checkbox"/>	<input type="checkbox"/>
7. Coordinate requests for information from internal or external parties	<input type="checkbox"/>	<input type="checkbox"/>
8. Coordinate dissemination of information to internal or external parties	<input type="checkbox"/>	<input type="checkbox"/>
9. Maintain a log of events, communications and instructions	<input type="checkbox"/>	<input type="checkbox"/>
10. Maintain safety	<input type="checkbox"/>	<input type="checkbox"/>
<i>All other responsibilities as listed below</i>		
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

## Appendix C2 – Communications Officer (Post Emergency Procedure)

### Emergency Action Plan Post Procedure Checklist: Communications Officer

The intention of this checklist is to provide a helpful guide as to the minimum requirements for post procedure actions to be completed by the mandatory role of a Communications Officer within an Incident Response Group. Your site may have additional steps to be followed or the Incident Controller may have delegated additional post procedure duties for this role. Please list additional actions within the spaces available.

Actions	Yes	No
1. Review the effectiveness of the management of information and communications during the emergency situation and prepare to provide inputs to improve its implementation for future events	<input type="checkbox"/>	<input type="checkbox"/>
2. Attend de-briefing session with IRG and EMT members to provide inputs on the management, coordination and monitoring of communication activities during the emergency situation	<input type="checkbox"/>	<input type="checkbox"/>
3. Coordinate with EMT to issue communiques for the staff, students and parents/caregivers, contractors and the community	<input type="checkbox"/>	<input type="checkbox"/>
4. Coordinate with EMT to provide inputs or to attend to queries related to the incident	<input type="checkbox"/>	<input type="checkbox"/>
<i>All other responsibilities as listed below:</i>		
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>
	<input type="checkbox"/>	<input type="checkbox"/>

## Incident Response Group

Each site will have an Incident Response Group (IRG) organised during an actual or imminent occurrence of an emergency. The group will be responsible for implementing the action plans in response to various situations, in accordance to the Emergency Management Plan. **Figure 1** below shows an *example* of an Incident Response Group and includes mandatory roles of an **Incident Controller**, a **Communications Officer** and an **Operations Officer**. In the case of smaller sites, the Communications Officer and Operations Officer may be the same person or, where appropriate, all three roles may be performed by the same person.

**Figure 1** Example of an Incident Response Group, including mandatory (yellow) and optional roles (blue)

### Summary Table for Incident Response Group - Roles and Responsibilities

Roles	Responsibilities	
	During an emergency	Post emergency
Incident Controller (IC)	IC provides leadership, directs and coordinate resources to ensure the safety of occupants at the site	IC collates relevant information from various members of IRG and liaises with EMT to organise a debrief session. IC provided inputs to facilitate reviews of the actions taken and recommendations to amend plans.
Communications Officer (CO)	OO oversees the implementation of the relevant action plans and is responsible for managing, supervising and monitoring on-going operations.	OO liaises with EMT to assess damaged properties and to restore facilities/services.
Operations Officer (OO)	CO manages and monitors all communications with internal and external agencies e.g. DECD Central Office, Emergency Services or Parents.	CO liaises with EMT to issue communiques for the staff, students, parents and the community, and attends to queries related to incident.
Safety Officer (SO)	SO works closely with the other members to ensure work health and safety of occupants at the site during the incident	SO liaises with EMT to review the safety of the site and its facilities, and make recommendations to mitigate resultant risks.
Logistics Officer (LO)	LO manages the logistical needs, including equipment, services and manpower, to facilitate the operations	LO liaises with EMT to review the status of the emergency equipment and services, and make recommendations to reinstate them.
First Aid Officer (FAO)	FAO administers first-aid to occupants and documents occurrence of illnesses and injuries requiring treatment	FAO liaises with EMT to review the status of the first-aid equipment and make recommendations to reinstate them.
Planning Officer (PO)	PO collects and evaluates information related to the incident and resources, and formulates strategies to mitigate identified risks for implementation by IC	PO liaises with IC and OO to review the incident and risks identified during the emergency and make recommendations to enhance the plan.
Agency Liaison Officer (ALO)	ALO assists CO with liaison with internal and external agencies	ALO assist CO in the liaison with EMT in the issuance of communiques and to attend to queries related to the incident.

N/A	

# Bushfire Response Plan - Kangaroo Island Community Education Penneshaw Campus

## Bushfire Refuge

The term 'Bushfire Refuge' has been adopted by DECD to reduce confusion with the terminology used by the CFS and is generally a building on-site that can provide short term shelter from a bushfire to the site population only.

The term 'Last Resort Refuge' is identified in each Council for community members as a space or building which could be used as a place of last resort for individuals to go to and remain during the passage of fire through their neighbourhood. A Last Resort Refuge is intended to provide a place of relative safety during a bushfire but does not guarantee the survival of those who assemble there and should only be used when personal Bushfire Survival Plans cannot be implemented or have failed.

**Note: No DECD sites have been identified by the CFS as a Last Resort Refuge.**

### Site's Trigger Points to prepare for movement to a Bushfire Refuge

A fire takes hold in the immediate area  
 The siren for a fire/bomb threat is sounded.  
 It is deemed necessary by the Emergency Response Team/ HOC  
 Offsite fire or emergency

### The alarm tone/method used to prepare for movement to the Bushfire Refuge

Alarm Tone/Method Used	Duration/Pattern of Alarm Tone
Siren	Long continuous

### If "Other" alarm tone/alert method or duration/pattern of alarm tone, please note following details

### Location of the Bushfire Refuge

Resource Building

### Location of off-site evacuation point should the site need to evacuate the Bushfire Refuge

N/A

### Planned method of transport to relocate all persons away from the Bushfire Refuge and to the off-site evacuation point

N/A

### Drinking Water Contingency Plan

Drinking water will be available at the Bushfire Refuge location and it is not reliant on the mains (water or power) for its provision. Otherwise, sufficient drinking water supply will be stocked at the location during Total Fire Ban days.

#### Site's drinking water supply plan and availability during a bushfire emergency situation

Water stored in Emergency Pack in Refuge Building

### Water for Ablutions/Sanitary Purposes

During an emergency, water and/or power supply from mains may be affected and a site may not have ablution water available; therefore, alternatives will be available for use within the Bushfire Refuge during a bushfire.

#### Site's ablution options during a bushfire emergency situation

Local water is not determined by power supply

# Student Collection Protocol

## Student Attendance Record

All schools have systems to record students' attendance and are able to account for the presence or absence of students during an emergency. In addition, there are processes ensure students are only released to authorised individuals.

### **Site's system to account for students following an emergency response and any methods for corroborating student collection authorities**

Front office SSO to print attendance details from Daymap, collect visitors sign in and staff sign out sheets.

## Student Collection During Emergency

Emergencies may occur at any time and often without warning. In such circumstances, it may not be possible for students to be collected by their usual family member or authorised person, or indeed be permitted to make their way home in the usual manner. Sites have processes implemented to facilitate urgent changes to usual collection or release arrangements

### **Site's arrangements to accommodate urgent changes to collection / release authorities during an emergency**

Class teachers would mark off from Day map print out.
