

KICE Strategic Plan 2021

Three unique campuses working collaboratively as one.

Vision *To continue to build a community of learners across KICE promoting academic and positive emotional growth for every child, in every class across every campus.*

Objectives

- Increase the number of students who achieve the Department for Education Standard of Educational Achievement and retain students in higher bands of achievement .
- To build the resilience and wellbeing of school communities through Positive Education practices, as informed by the Berry Street Education Model.

Expert Teaching

- Identify consistent strategies across KICE to engage and extend high performing students.
- Implement our school improvement plan with a focus on reading comprehension for all learning bands at KICE.
- Whole staff training on the new DfE Curriculum Documents.
- Explore student profiles.

Quality Leadership

- Supporting new leaders with performance and development aligned to their improvement goals.
- Increase access to Orbis for new and aspiring leaders.
- Structure new plan for KICE leadership meetings.
- Expand peer led learning opportunities for all staff.

Resourcing

- Continued support for the DfE IT project for KI.
- Refurbish the MY learning areas using transition funding.
- Develop 3 year plans at each campus to address facility repairs and upgrades campus.
- Further liaison with Flinders University and University of Adelaide .as a key resource for KICE programs and students.

Engaged Parents and Community

- Build onto and extend strong, positive working relationships with parents, caregivers and the wider community, especially in relation to Bushfire Recovery.
- Increase levels of engagement in community life through Volunteering, Student Voice, Leadership Camps, Children's University and the Duke of Edinburgh Award.
- Review VET pathways in line with local employment opportunities and the new VET for School Students.

Accountability

- Use data to plan, monitor and report on progress.
- Deepen our focus on the Early Career Development program, moving our beginning teachers from graduate to proficient.
- Share effective practice of KICE and neighbouring schools by extending partnership opportunities.

Stronger Services

- Introduce a social worker placement program at KICE. In liaison with Flinders University.
- Better use of data to target the right interventions for individual students.
